

ASHEVILLE-BUNCOMBE TECHNICAL COMMUNITY COLLEGE

ANNUAL SECURITY REPORT

2018

Review Period January – December 2018

Published October 1, 2019

Introduction

Asheville Buncombe Technical Community College (A-B Tech) prepares this report in compliance with the *Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act* (The Clery Act). The security report is designed to provide you with important information about your safety and security and contains statistics about crime on campus. Safety is a shared responsibility and we strongly encourage every community member to contribute by reporting crimes and any suspicious activities.

Campus crime, arrests and referral statistics include those reported to A-B Tech Police Department and Campus Security Authorities. A-B Tech also requests statistics for crimes on or near our campuses and non-campus properties that are reported directly to other law enforcement agencies.

An annual email is sent to all employees and currently enrolled curriculum students that contains a web link to access this report. The report may also be found on the College website at <https://www.abtech.edu/campus-police-and-security/campus-safety-and-security-reporting>. Copies of the report may also be obtained at the A-B Tech Police Department located in the A-B Tech/Mission Health Conference Center on the Asheville Campus.

Law Enforcement Authority

The A-B Tech Police Department employs both sworn police officers and non-sworn security officers. Police officers are state certified and have full authority to enforce state and local laws and to make arrests on all A-B Tech campuses, the public properties within and immediately adjacent to those properties and non-campus properties under the control of A-B Tech. Both police and security officers are authorized to issue citations and make disciplinary referrals for violations of college parking and traffic regulations and the Code of Student Conduct.

The A-B Tech Police Department has mutual aid agreements with Asheville Police Department, Buncombe County Sheriff's Office, and the Madison County Sheriff's Office and may request the assistance of those agencies in the investigations of major incidents committed on A-B Tech properties. The A-B Tech Police Department also has an agreement with Asheville Police Department for entering stolen vehicles and other stolen articles into the NCIC database. Through necessary permitting, A-B Tech Police Department have computer access to state, interstate and national databases containing vehicle and driver information, criminal histories and other state and federal law enforcement information.

The A-B Tech Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public record under state law, A-B Tech Police Department cannot hold reports of crime in confidence.

Confidential reports made in the interest of campus security may generally be made to other A-B Tech Campus Security Authorities as identified on the next page. With such information, the college can keep an accurate record of the number of incidents, determine where there is a pattern of crime and alert the campus community to potential danger. Reports filed in this matter are counted and disclosed in the annual campus crime statistics.

Counseling

Asheville-Buncombe Technical Community College provides free, confidential counseling and related services for students through the Office of Student Support Services. A-B Tech recognizes the dual relationship that exists when counselors support both the institution and its students. Each counselor is bound by and subject to the code of ethics relevant to their certification and/or licensure. Each counselor is also responsible for seeking appropriate guidance regarding the issues that may arise as a result of this dual relationship.

As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. § 1092(f), clarification was given to those considered to be campus security authorities. Campus “Professional Counselors,” when acting as such, are not considered to be Campus Security Authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics. They are encouraged, if and when they deem it appropriate, to inform persons being counseled of the process to report crimes on a voluntary basis for inclusion into the annual crime statistics. The rulemaking committee defines counselors as:

A “professional counselor” is defined as an employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.

Voluntary Confidential Crime Reporting

Any student who is the victim of a sexual assault, domestic violence, dating violence, stalking or any other crime, or who witnesses any crime on any A-B Tech property is strongly encouraged to report that crime to the A-B Tech Police Department for investigation and appropriate disciplinary referral or legal action. Any student who is the victim of a crime that occurs during any College-sponsored activity, not on a College property is encouraged to report that crime to the law enforcement agency having jurisdiction. Students who do not wish to pursue a crime through legal remedies may confidentially report a crime directly to any Campus Security Authority as identified on page 4 of this report. While maintaining the student’s confidentiality, the Campus Security Authority will work with the appropriate college officials to investigate the report for the purpose of identifying and implementing necessary preventive measures. Individuals wishing to anonymously report a crime may also submit an online incident report at www.abtech.edu/incidentreport.

For more immediate mental health assistance contact our community partner, Mobile Crisis Management at 888-573-1006.

The A-B Tech Police Department shall not be involved in the investigation. The circumstances of a reported crime will be evaluated to determine if a timely warning should be issued. Under no circumstances will a student’s preferences override the College’s responsibility to ensure the health and safety of the reporting student or of the greater college community. Statistical information from all voluntary confidential crime reports will be recorded for inclusion in required crime statistics reporting.

Timely Warnings

In the event that a situation arises, either on or off-campus, that, in the judgment of the Chief of Police or the Chief's designee, constitutes an ongoing or continuing threat to health or safety, a campus-wide "timely warning" will be issued.

Timely warnings are sent to all currently registered curriculum students and current employees using the college email system. Students and employees should take responsibility for checking their email accounts frequently. Students and employees also have the option to receive text alerts, in addition to an email. Timely warnings are issued based on the nature of the crime, if the crime is a continuing danger to the college community, and if the notification does not interfere with law enforcement efforts.

Members of the college who know of a crime or other serious incident should report the incident immediately by phone (**828-279-3166 or 828-398-7125**) to the A-B Tech Police Department so that a Campus Safety Alert can be issued if warranted.

The sole purpose of a timely warning is to ensure the health and safety of the college community. Accordingly, victims' names will be held as confidential and will not be included in any notification.

Emergency Notification

In the event of a situation that poses an immediate threat, such as a severe weather event or an armed intruder, A-B Tech will immediately initiate the mass notification system. Upon confirmation of an immediate threat, through direct observation or a credible report, the President or designee will immediately initiate the notification process unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim, contain the emergency, respond to the emergency or otherwise mitigate the emergency. All available methods of emergency communication will be utilized such as mass notification system, emergency text messages, computer "pop-up" messages, and postings on the college and social media websites. **Note:** All students and employees are encouraged to update their profile information in WebAdvisor to receive emergency text messages. WebAdvisor can be accessed from the college website at <http://www.abtech.edu>.

A-B Tech utilizes building captains in each building to facilitate the appropriate emergency response. Procedures to be followed in an emergency are outlined in the Emergency Management Guide which is posted in all classrooms and offices throughout each campus. Various tests of the Emergency Management Plan including secure in place and evacuation procedures are conducted periodically on all campuses.

Testing Emergency Response and Evacuation Procedures

Emergency response and evacuation drills are coordinated by the A-B Tech Police Department each semester for all facilities on the Asheville, Enka, Madison, Woodfin, and South campuses. Thus, the emergency response and evacuation procedures are tested at least twice each year and, sometimes, three times a year. These drills may be announced or unannounced. Students learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for short-term building evacuation. Students are not told in advance about the designated locations for long-term evacuations because those decisions are affected by the time of day, location of the building being evacuated, the availability of the various designated evacuation assembly area on campus, and other factors such as the location and nature of the threat. In both cases, A-B Tech staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes. Students also receive information about evacuation and Lock-Down procedures during their New Student Orientation.

Evacuation drills are monitored by the A-B Tech Police Department and the Building Captains to evaluate egress and behavioral patterns. Evaluations are prepared by participating departments which identify deficient equipment so that repairs can be made immediately. Recommendations for improvements are also submitted to the appropriate departments/offices for consideration.

A-B Tech Police Department coordinates announced and unannounced emergency response and evacuation drills each semester to test the emergency response and evacuation procedures and to assess and evaluate the emergency evacuation plans and capabilities. A-B Tech's emergency response and evacuation procedures are posted in all classrooms and offices throughout each campus and on the MY EOP app. Documentation of emergency response and evacuation exercises will be maintained for seven years. This documentation includes a description of the exercise, the date the exercise was held, the time the exercise started and ended, and whether the exercise was announced or unannounced.

***My EOP can be downloaded from Apple App Store or Google Play. Organization Code "A-B Tech" and Password "safety".*

Lock-Down Guidance— When a situation exists, such as an armed intruder in the immediate vicinity or a severe weather event, such that it would be inadvisable to leave the relative safety of a building, secure in place procedures will be initiated.

Basic "Lock-Down" Procedures - A Lock-Down notification may come from several sources, listed in the preceding Emergency Notification section.

Remember "S.E.L.F"

- **SURVEY** – Be aware of your surroundings, where you are and what is available if you need to make yourself or others safe.
- **EVACUATE** – If there is an accessible escape path, try to evacuate the area.

- **LOCK-DOWN** – If evacuation is not possible, find a place to hide where the shooter is less likely to find you.
 - Close and lock the classroom door. Turn off the lights. Get on the floor, away from doors and windows, out of the line of sight.
 - **TEXT 911**
 - Do not attempt to leave the safe area until given the ALL CLEAR by college officials.
- **FIGHT BACK** – As a last resort, and only if your life is in danger, attempt to disrupt and/or incapacitate the shooter.

Evacuation Guidance— When a situation exists, such as a fire, such that it would be advisable to evacuate a specific area or the entire campus, evacuation procedures will be initiated.

Basic Evacuation Procedures – An evacuation notification may come from several sources, listed in the preceding Emergency Notification section.

- Follow evacuation routes to the nearest building exit, taking your possessions with you.
- Proceed to the Evacuation Assembly Areas.
- Keep drives and accesses clear for emergency vehicles.
- Do not re-enter the building
- Await directions from emergency personnel.

Access to Campus Facilities

A-B Tech encourages an open environment with limited constraints to ensure the reasonable protection of all members of the college community. A-B Tech is a non-residential institution of higher education. Therefore, most campus facilities are normally open during business hours. During non-business hours access to all College buildings is by key entry, if issued, or by admittance via the A-B Tech Police Department. Individuals who wish to access College buildings or property during non-business hours or for special events should contact the appropriate department administrator, Coordinator, Facilities & Accounts Manager, or A-B Tech Police Department. During non-business hours, the Police and Security Department can be contacted by calling 828-279-3166.

Security Considerations in the Maintenance of Campus Facilities

A-B Tech is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. A-B Tech Police and Security Officers and Plant Operations personnel regularly conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. A-B Tech Police and Security Officers conduct routine inspections of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is promptly acted upon by Plant Operations. The College encourages employees to report any deficiency in locks, lighting, steps or handrails, roadways, or unsecured equipment through the “School Dude” work request system located at <https://portal.abtech.edu>.

Security Awareness and Crime Prevention Programs for Students and Employees

New Student Orientation is a required activity for most incoming curriculum students at A-B Tech. During this classroom-based or online orientation program, students are informed of services offered by the A-B Tech Police Department. Topics include the following: how to reach A-B Tech Police for emergency and non-emergency situations, detailed instructions regarding the College emergency notification system and procedures, personal safety tips, as well as how to contact the Title IX Coordinator for incidents involving sexual misconduct. Students are also shown the A-B Tech Police Department webpages which contains more detailed information about general campus safety and crime statistics on-campus. Once students enroll, a first-year experience course is offered during the beginning of their program wherein they learn about campus security and reporting. Additionally, all curriculum students are shown an emergency response video during first month of each semester.

View A-B Tech’s S.E.L.F Video at: <https://www.abtech.edu/campus-police-and-security/police-security-overview>

A similar program, New Employee Orientation is required for all full time and part-time regular employees. Professional Development sessions are offered annually to all employees on a variety of topics including sexual misconduct and Title IX, drug and alcohol misuse and mental health. Employees also participate in bi-annual college emergency response drills.

The A-B Tech Police Department regularly partners with the Student Life and Development office to help raise awareness on issues of campus safety. The department sets-up information booths at Activity Day events which are festival style programs during which all curriculum classes are canceled for a two-hour block. This provides an opportunity for students to interact with Police and Security Officers in a positive relationship-building manner. During these events, wallet-sized safety cards are distributed to students and employees. The card contains contact information for A-B Tech Police and the Title IX Coordinator, safety and risk reduction tips, and encourages the holder to report suspicious behaviors, sex/gender-based harassment, dating violence, domestic violence, sexual assault, or stalking. Keychain flashlights and whistles with the A-B Tech Police Department phone number are also distributed.

The Student Life office annually sponsors prevention and awareness programs that promote awareness of domestic violence, dating violence, sexual assault, and stalking. Programming includes statements that A-B Tech prohibits sexual assault, domestic violence, dating violence and stalking, as well as definitions of these offenses in NC, definitions of what is consent, safe and positive options for bystander intervention, as well as signs of abusive relationships and behaviors. The Student Life office regularly partners with the Student Support Services office to host annual substance abuse and mental health awareness events for students and employees. Additional events are held in partnership with community-based agencies specializing in sexual assault and domestic violence awareness, response, and prevention.

In addition to seminars, information is disseminated to students and employees through the A-B Tech website, security alerts to computers and text alerts, social media tools, College catalog, the Student Handbook, and educational brochures in Coman and Bailey buildings.

Drug and Alcohol Policy *(Updated: September 12, 2018)*

It is the policy of the Board of Trustees that A-B Tech will maintain a learning and working environment that is free from the negative impact of drug and/or alcohol abuse. The College prohibits students, employees, and visitors from being on the College's premises or attending any College-sponsored activity at a non-College location while impaired by any impairing substance. The College also prohibits the

manufacture, possession, use, distribution, or sale of controlled substances or alcohol during work time and breaks, on A-B Tech premises or class/work sites, while driving a College vehicle, and/or while driving any vehicle for a College-sponsored, sanctioned, or required activity, with the following exception.

This policy permits College-sanctioned activities approved in writing by the President where alcohol is manufactured, possessed, used, distributed, sold, served, and/or consumed for academic, continuing education, social, or other purposes consistent with the College's procedures and applicable legal requirements. These documents will be maintained in the President's Office.

Drug and Alcohol Procedure

General Prohibition:

A-B Tech is committed to providing a drug-free learning and working environment. From a safety perspective, the use of drugs or alcohol may impair the well-being of students, employees, and visitors, interfere with the College's educational environment, and result in damage to College property. Therefore, it is the College's policy that the unlawful manufacture, distribution, dispensation, possession, or use of Alcohol, illegal or unauthorized Controlled Substances or Impairing Substances are prohibited at any College Location by College students and employees.

A-B Tech complies with the Drug-Free Workplace Act and the Drug-Free Schools and Campuses Act (DFSCA) and applicable Department of Education requirements by instituting the following practices:

1. The College will conduct an annual review of the effectiveness of the Drug and Alcohol Abuse Prevention Program (DAAPP). This activity will be the responsibility of the Vice President for Student Services, Executive Director of Human Resources and Organizational Development, or designee. The review will be completed by June 30 of each year so that this information may be used to revise the DAAPP for optimum effectiveness.
2. Annual review information will be compiled to produce a biennial review as required by the Department of Education and the DFSCA.

Controlled Substance means any substance listed in 21 CFR Part 1308 and other federal regulations, as well as those listed in Article V, Chapter 90 of the North Carolina General Statutes. To encourage individuals to receive appropriate help for various circumstances and to encourage reporting, limited immunity will be provided in the following incidents:

1. *Sexual misconduct*: The College offers the reporting party and witnesses limited immunity from minor drug and alcohol policy violations. (Refer to the Sexual Misconduct Policy 112).
2. *Substance misuse treatment*: The College offers the reporting party limited immunity when seeking treatment assistance for an addiction. Any medical issues discussed will be kept in confidence according to legal requirements. The legal use of prescribed or over-the-counter

drugs are permitted on the job only if it does not impair the employee's ability to perform the job effectively and in a safe manner, and that does not endanger the employee or others in the workplace or interfere with student learning or services.

3. Employee Assistance Program/Substance Abuse Treatment

A-B Tech encourages the identification and treatment of alcohol and chemical dependency in its early stages before work is affected. Toward this end, the College retains the services of an Employee Assistance Program (EAP) to assist employees who request help with substance abuse. However, employee performance and work behavior will continue to be evaluated consistent with the College's expectations and requirements.

4. Drug/Alcohol Screening

A-B Tech maintains a drug/alcohol screening program consistent with legal requirements. All drug/alcohol screening is conducted by an approved laboratory identified by the College and in accordance with the NC Controlled Substance Examination Regulation Act and all testing shall comply with the Controlled Substances Examination Regulation, 13 NCAC 20.0101 *et seq.* All drug/alcohol screens must be approved by, and coordinated through, the Human Resources Department, except those required after hours, which must be approved and coordinated by the A-B Tech Police Department. The Human Resources Department shall be required to maintain all records associated with the College's drug/alcohol screening program.

Drug and/or alcohol testing occurs under the following circumstances:

- a. Pre-Employment. Pre-employment drug screens are required for employees in safety-sensitive positions and/or College programs where such screening is a requirement for placement at a clinical or another site.
- b. Post-Accident. When there is Reasonable Suspicion that drug and/or alcohol use or impairment may have contributed to the accident or incident, a post-accident drug/alcohol screen is required for any employee. The College will arrange transportation for the employee to the screening location and then home, if necessary to ensure the employee's safety. If the employee refuses to participate in the drug and/or alcohol screening, it will be considered a positive result.
- c. Reasonable Suspicion. A supervisor, with the agreement of the appropriate ELT member and the ED of Human Resources and Organizational Development, may require an employee to participate in drug and/or alcohol screening when the screening is based on Reasonable Suspicion. If the employee refuses to participate in the drug and/or alcohol screening, it will be considered a positive result.

5. Participation in College - Sanctioned and other Work-related Activities where Alcohol Is Served.

- a. When an employee and/or guest attend a College-sanctioned or work-related activity where alcohol is served, each individual is expected to use good judgment with regard to the amount of alcohol consumed and the legal requirements for safely driving away from the activity. Under no circumstances may an individual under the age of 21 shall hold or drink any alcoholic beverage on the College's premises or work-related activity at another location.
- b. When the activity is hosted by A-B Tech, the College will arrange for alternate transportation to assist an impaired employee and/or guest in getting home safely when the need is

brought to the attention of the A-B Tech employee in charge of the activity. In all situations, each employee and/or guest is responsible for their own behavior and any resulting consequences.

- c. When chaperoning students during an off-site activity, the employee has an obligation to inform the students that the College's Drug and Alcohol policy is still in effect. Knowingly permitting a student to consume alcohol, except as specifically allowed by the Drug and Alcohol Policy, may result in disciplinary action or dismissal, depending on the College's interpretation of the circumstances and/or legal requirements.
6. Consequences for Violating Policy/Procedures
- a. Violations of this policy or procedures and/or a confirmed positive drug/alcohol screen may result, at A-B Tech's sole discretion, in disciplinary action and/or dismissal of any employee, depending on the College's interpretation of the circumstances and subject to Policy 509.02, Employee Due Process. Violations may also result in legal consequences, as A-B Tech will notify the appropriate authorities whenever warranted.
 - b. At its sole discretion, in lieu of or in addition to taking disciplinary action against an employee, the College may require the employee to satisfactorily complete a drug or alcohol abuse assistance or rehabilitation program. If an employee refuses to seek treatment when required, does not respond to treatment, and/or there are indications that the drug or alcohol dependency persists, the situation will be handled by the College like any other event which adversely affects job performance.
 - c. An employee who refuses to submit to a drug or alcohol screen that is consistent with the above criteria, adulterates or dilutes the specimen/sample, substitutes the specimen/sample with that from another person, sends an imposter, refuses to sign the required consent forms, and/or refuses to cooperate in the screening process in such a way that it prevents completion of the examination, will be dismissed subject to Policy 509.02, Employee Due Process, when applicable.

Threat Assessment Policy *(Updated March 13, 2019)*

A-B Tech is committed to providing a safe learning and working environment. As such, the College utilizes a threat assessment process to determine whether or not a student's behavior constitutes a potential safety risk to the individual or others. Matters that rise to the level of a potential threat will be handled solely under the Threat Assessment Policy. If the potential violation of this procedure includes other behaviors or conduct that may also violate the Code of Student Conduct (Policy #804), the violations will also be handled through this procedure.

Introduction

A threat assessment is an objective process relying on a review of behaviors or conduct to identify potentially harmful, dangerous, or violent situations and to identify possible solutions. A threat is defined as any communication or behavior that suggests to a reasonable person that an individual may intend to harm him or herself or others. The threat may be spoken, written, or gestured and is considered a threat regardless of whether it is observed by or communicated to a third party.

Examples of prohibited conduct that may rise to the level of a threat assessment include, but are not limited to:

- Injuring another person physically including assault;
- Engaging in behavior that creates a reasonable fear of injury to oneself or others including bullying and/or disorderly conduct;
- Engaging in behavior that would subject a reasonable person to, and does subject another individual or individuals to, extreme emotional distress;
- Possessing, brandishing, or using a weapon while on College premises by students except where possession is a result of participation in an organized and scheduled exercise for a course, or where the student is a law enforcement professional;
- Intentionally damaging property;
- Threatening to injure an individual (including oneself) or to damage property; and

- Retaliating against any employee, student or community member who, in good faith, reports a violation of College policy.

In situations where a student may pose a threat to him or herself, the individual may be directed to Student Support Services. However, if the potential threat to him or herself includes other behavior or conduct that may also violate the Code of Student Conduct (Policy #804), the violation will be handled through this process.

There are many behaviors that may cause concern for the safety and well-being of an individual or the campus as a whole. The following is not an exhaustive list but provides examples of concerning behaviors or situations:

- Unusual or abrupt changes in behaviors or patterns;
- An Extreme emotional reaction to a loss, traumatic event or situation;
- Preoccupation with weapons, violent events or persons who have engaged in violent acts;
- References to harming others or planning a violent or destructive event;
- Prolonged irritability, angry outbursts or inordinate reactions to situations;
- Strained interpersonal relations, isolating behaviors and/or hopelessness;
- Stalking others, either in person or electronically;
- Past history of disciplinary problems and issues; and
- A Verbal or physical altercation with another student, faculty, staff, or community member.

These examples of potentially threatening behaviors are not intended to operate as speech codes, promote content and viewpoint discrimination or suppress minority viewpoints in the academic setting. While a student's speech or expression may be deemed offensive by others, it does not necessarily mean it constitutes a threat under this Policy.

Reporting Potential Threats

Anyone who believes that the immediate safety and well-being of an individual or the campus as a whole are at risk should notify the A-B Tech Police Department or call 911. The A-B Tech Police Department is located across from the parking deck in the Mission Health/A-B Tech Conference Center and can be reached by phone at (828) 398-7125. A-B Tech Police officers are available 24-hours a day, 7-days a week. To reach the on-duty officer, please call (828) 279-3166. The A-B Tech Police will forward the report to the Vice President for Student Services (VPSS) or designee and will work in partnership to determine the best course of action.

Individuals may also make a report to the Office of the VPSS by submitting an incident report at www.abtech.edu/incidentreport. While anonymous reports are accepted, it is important that individuals making reports share as much information as possible. The College will make every reasonable effort to preserve the confidentiality of those reporting threatening behaviors. However, confidentiality cannot be guaranteed in the process.

Retaliation

Retaliation against any person in connection with a report of a threat is strictly prohibited. Reports of retaliation will be addressed through this policy and/or other applicable College policies. Retaliation includes, but is not limited to, any form of intimidation, punitive actions from an authority figure or peers, reprisal (acts of vengeance) or harassment. Retaliation is a serious violation and should be reported immediately. The College will take appropriate disciplinary action against anyone found to have retaliated against another.

Standard of Evidence

The College uses the preponderance of the evidence as to the standard for proof of whether a violation occurred. In the threat assessment process, legal terms like “guilt,” “innocence” and “burdens of proof” are not applicable. Student Hearing outcomes take into account the totality of all evidence available from all relevant sources. The College will find the Student either “responsible” or “not responsible” for violating College this policy.

Threat Assessment Process

After the VPSS or designee reviews the initial report and determines that it warrants further review, a Threat Assessment Team (Team) will be assembled.

Interim measures shall only be used when necessary to protect the student’s emotional and physical health and to protect the safety of the campus community. When interim measures are implemented, every effort will be made to expedite the assessment process. Interim measures may include, but are not limited to, changing the student’s academic environment or temporary suspension through the investigation and hearing process. Suspensions can only be imposed by the VPSS or the President.

The Team will be comprised of no less than four members of the College’s Behavioral Intervention Team (CARE Team) in an effort to ensure an efficient and equitable assessment. The VPSS or designee may at his or her discretion include additional members to the Team. If a conflict or appearance of conflict arises for any member of the Team, the VPSS or designee shall appoint a substitute for that member.

The VPSS or designee will serve as chair and provide the Team with the following information:

- The original report or A-B Tech Police incident report;
- Any witness statements and/or any other supporting documentation;
- Any previous disciplinary issues relevant to the threat; and
- Any additional relevant information that would be useful to the Team.

The role of the Team is to review the alleged threat and evaluate the alleged student’s behavior/conduct in light of the accumulated evidence in order to determine if a violation of College policy has occurred and whether or not the student constitutes a threat.

The VPSS or designee will provide written notification to the student explaining that a Team has been assembled and is evaluating the possible threat. This notification will also include the date and time of the Threat Assessment Hearing. Prior to the hearing, the student has the right to review all evidence, including written statements. Strict rules of evidence do not apply in the hearing. If the student is not able to attend, reasonable modifications to the date will be made. However, if the student chooses not to attend the scheduled hearing, the hearing will proceed as planned utilizing the evidence available.

During the hearing, the Team will have full investigatory authority when reviewing the alleged threat and evaluating the student's behavior or conduct. The Team will interview or review statements from the student, witnesses, and other relevant parties involved in the incident. All pertinent parties have a right to speak and be questioned by the Team during the hearing. Direct cross-examination between parties takes place in a modified format. The student has the right to pose questions of those providing evidence through the Team chair.

The Team has the right to inspect the student's school record and may request that the student provide secondary and post-secondary school records. The Team may also request that the student provide additional information such as medical records.

The student is allowed to be accompanied by an advocate. The role of the advocate is to provide support to the student and not to speak on behalf of the student unless invited to do so by the chair. If the student chooses to have an advocate, the student must provide the name and role of the advocate to the VPSS at least three College business days prior to the hearing date.

Threat Assessment Finding

The student has a right to a written notice of the hearing outcome. The hearing outcome will determine if the student is in violation of this procedure and the Code of Student Conduct (Policy #804), and if any sanctions should be imposed. Possible sanctions may include:

- Warning;
- Probation;
- Administrative withdrawal from the Academic Program or course without refund;
- Required counseling;
- No contact directive;
- Suspension from the College without refund;
- Expulsion with an automatic appeal to the President; and
- Other sanctions deemed appropriate

Appeal

The student has a right to appeal the outcome of the Threat Assessment Hearing to the College President or designee. Upon receipt of the hearing outcome, the student has five College business days to submit a notice requesting an appeal. This notice must be submitted in writing to the Office of the VPSS. If the recommendation of the Team is suspension from the College, the student will remain suspended through the appeal process. The President's document review does not include a new hearing but shall consist of

evidence presented at the hearing along with a recording of the proceeding. The President or designee will affirm, modify, or overturn the decision of the Team. The President or designee's decision will be final and notification of the decision will be sent directly from the Office of the President to the student.

Return to Campus

A student who is suspended from the College as a result of a threat assessment may be considered for re-enrollment. A student wishing to be considered for re-enrollment should contact the Office of the VPSS. Based on sanction requirements additional documentation may be required, including compliance with any conditions that may have been set for re-enrollment.

Records Retention

All documentation will be stored in the Office of the VPSS for a period of seven years at which point the documentation will be moved to an electronic version to be retained permanently. In cases where the student is found to be in violation of this policy or other College policies, this information will be considered as a disciplinary record with the College.

Definitions

Expulsion: Completely withdraw from the College. Does not typically allow for re-enrollment.

Suspension: Complete withdraw from the College with option for future re-enrollment after a specified period.

Threat: Any concerning communication or behavior that suggests to a reasonable person that an individual may intend to harm self, others, or property. The threat may be spoken, written or gestured and is considered a threat regardless of whether it is observed by or communicated to a third party.

Student Due Process *(Updated: May 22, 2019)*

It is the policy of the Board of Trustees to endorse that a student has the liberty and/or property interest in their education, which is the expectation to continue enrollment at the College in the absence of academic failure and/or misconduct. Prior to action by the College to deprive a student of this interest through suspension or expulsion, the student will be given due process. The extent of process due is determined by state law. In addition, students who have been charged with a violation of the Code of Student Conduct shall be provided with an equitable system of due process, which can include the right to a fair hearing.

Students have the following rights of due process when an allegation has been brought against them regarding violations of the Code of Student Conduct (except, for issues involving sex and gender-based discrimination, harassment and violence, see Sexual Misconduct Policy 112):

Students have a right to a Written Notice:

1. Upon receipt of an incident report to the Office of the Vice President of Student Services, the student in question will be sent a written notice to inform him or her of the allegations regarding the possible violation(s) of the Code of Student Conduct.

Students have a right to an Administrative Conference:

1. The student will be advised of the date, time, and location of the Administrative Conference with the Vice President for Student Services or designee to discuss and attempt to resolve the issue.
 - a. If the student's alleged actions are considered egregious or disruptive to the teaching and learning environment or to campus safety, the Vice President for Student Services or designee may suspend the student for up to ten College business days. The matter may be moved directly to a Student Due Process Hearing or referred to a Threat Assessment Team for review.
2. Outcome of Administrative Conference:
 - a. If the student admits responsibility for a violation(s) of the Code of Student Conduct, sanctions will be administered during the Administrative Conference process and this matter will be considered closed. The student will receive a written notice of all actions taken.
 - b. If the student disagrees with the proposed resolution or denies responsibility for any offense, the matter will move to a Student Due Process Hearing which will be conducted by the Vice President of Student Services or designee.
3. If the student fails to attend the scheduled conference, then the matter will be moved to a Student Due Process Hearing.

Students have a right to a Student Due Process Hearing:

1. The hearing will be scheduled as soon as practical after receipt of an incident report of allegations deemed to be egregious in nature or after the conclusion of the Administrative Conference.
2. Prior to the hearing, the student has the right to review all evidence, including written statements made against him or her. Strict rules of evidence do not apply in the hearing.

3. A written hearing notice including the date, time, and location of the hearing will be sent to the student.
4. At the hearing, all parties involved in the incident will attend and be given the opportunity to provide evidence. All pertinent parties have a right to speak and be questioned by the Vice President of Student Services or designee during the hearing. Cross-examination between parties is not permitted during the hearing.

3. The President's document review does not include a new hearing but shall consist of evidence presented at the hearing along with a recording of the proceeding.
4. The President will affirm, modify, or reject the decision of the Vice President or designee. The President's decision will be final and notification of the decision will be sent directly from the President's office to the student.

The procedure above is in effect for all students. All meetings and/or hearings for distance learners will be arranged using email, fax, conference calls, or other agreed-upon electronic means.

Preventing and Responding to Sexual Misconduct

It is the policy of the A-B Tech Board of Trustees to provide the campus community with education and training to increase awareness, prevention and the prompt reporting and resolution of all types of sex/gender-based discrimination, harassment and violence in compliance with all applicable federal and state laws and administrative regulations.

A-B Tech students, employees, and guests/visitors have the right to be free from all forms of sex/gender-based misconduct, harassment, and discrimination, examples of which include acts of sexual assault, sexual harassment, domestic violence, dating violence, and stalking (collectively “Sexual Misconduct”). All members of the A-B Tech community are expected to conduct themselves in a manner that does not infringe upon the rights of others in an illegal or offensive manner. A-B Tech believes in zero tolerance for Sexual Misconduct. Zero tolerance means that when an allegation of Sexual Misconduct is brought to an appropriate administrator’s attention, protective and other interim safety measures will be used to reasonably ensure that such conduct is stopped, is not repeated, and the effects on the victim and community are remedied, including serious sanctions when a respondent is found to have violated this Policy.

Prevention and Awareness:

The A-B Tech Title IX Coordinator works closely with the Human Resources and Professional Development departments as well as the Enrollment Management department to ensure that new students and employees are made aware of A-B Tech policies regarding Sexual Misconduct, Title IX, and Support Services. This information is included in the New Student Orientation program and the New Employee Orientation program. Employees also participate in annual in-service training to remain current on College policies and procedures as related to Title IX.

The Student Life Development office annually sponsors prevention and awareness programs that promote awareness of domestic violence, dating violence, sexual assault, and stalking. Awareness and prevention programming also includes positive options for bystander intervention and risk reduction strategies. The Student Life Development office partners with community service providers to host additional student and employee prevention and awareness training and programming. Topics include *Nonviolent Sexuality; Sex, Consent, and the Law: Your Rights and Responsibilities under Title IX*; domestic violence awareness exhibit *Still Standing* displayed in various campus facilities, and routine tabling by college and community support agencies including A-B Tech Police Department, Counseling Services, Our Voice, Helpmate, Pisgah Legal Services, Employee Assistance Network, as well as agencies that provide support services related to drug and alcohol misuse, and the development of healthy relationships.

A-B Tech provides educational brochures on the following topic: sexual assault, domestic violence, drinking and violence, HIV awareness, healthy relationships, how to talk with your partner about sex, and risk reduction. These brochures are available in the Coman Student Center and Bailey Student Services Building. Additionally, the Support Services department publishes a brochure outlining the free and confidential counseling services provided to students. Students can access services by contacting the Support Services office in the Bailey Student Services building at supportservices@abtech.edu or by calling 828-398-7581. Community resources are also available and students and employees can contact Our Voice (regarding sexual violence) on the Crisis Line at 828-255-7576; HelpMate (regarding domestic

violence) on the Crisis Line at 828-254-0516; Mobile Crisis Management (community counseling) at 888-573-1006; Family Justice Center (regarding domestic violence and sexual assault) at 828-250-6900; Employee Assistance Network (for A-B Tech employees) at 800-454-1477; C3356 Comprehensive Care Center (Substance Abuse and Mental Health) at 828-254-2700. Additionally, the college partners with Pisgah Legal Services to provide students with information and assistance with legal matters involving protective orders, custody, immigration, housing and health care access.

Options for Bystanders:

Bystander intervention includes safe and positive options that may be carried out by an individual or individuals to prevent harm or to intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes (i) recognizing situations of potential harm; and (ii) understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options and taking actions to intervene.

Any person who witnesses a sexual assault or incident of domestic violence, dating violence or stalking is requested to immediately call **9-1-1** or the A-B Tech Police Department **828-398-7125** as deemed appropriate. An online incident report can be submitted at abtech.edu/incidentreport or contact the Title IX office at 828-398-7932. Bystanders are strongly discouraged from intervening in an altercation to the extent that the bystander's safety is at risk. In addition to calling the police, a person who witnesses an active assault may distract the person committing the assault and draw attention to the scene by shouting for help. If a person who commits an assault flees, a bystander should assist the victim of the assault and obtain the offender's description and direction of travel for responding officers. If a bystander encounters someone who is being followed by a stalker, the bystander may accompany that person to a safe, populated location and remain with the person until the police arrive.

Safety:

If you are the victim of a sexual assault, domestic violence, dating violence or stalking your first priority should be to get to a place of safety. You should then obtain appropriate medical treatment. A-B Tech strongly recommends that victims report the incident to law enforcement in a timely manner. Emergency assistance may be requested by calling **9-1-1** or on campus **828-398-7125**. An on-duty A-B Tech police officer may be contacted directly at 828-279-3166. Time is a critical factor for evidence collection and preservation. Although the victim is encouraged to report directly to law enforcement, they may choose to report the incident to the A-B Tech Title IX Coordinator, College Counselor, or Campus Security Authority (see page 4) who can assist the victim with accessing College and community resources and services.

A-B Tech’s Sexual Misconduct Policy (Updated May 16, 2019)

Introduction

Overview

This procedure applies to any allegation of Sexual Misconduct made by or against a student, a College employee or a third party regardless of where the alleged Sexual Misconduct took place. The College’s disciplinary authority, however, may not extend to third parties who are not students or employees. A-B Tech may take disciplinary action to address Sexual Misconduct and will take appropriate action to investigate and adjudicate the matter if it impacts the educational environment of the College. This procedure applies regardless of the sexual orientation or gender identity of the parties involved.

Title IX

Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex/gender in any federally funded education program or activity. Under Title IX, discrimination on the basis of sex or gender also includes sexual harassment, stalking, dating and domestic violence, or sexual violence, such as rape, sexual assault, sexual battery, and/or sexual coercion. The College’s Director of Title IX Compliance has oversight responsibility for handling Sexual Misconduct complaints and for identifying and addressing any patterns and/or systemic problems involving Sexual Misconduct. All allegations involving Sexual Misconduct should be directed to the Director of Title IX Compliance or, in the case of actions solely between employees, the Executive Director for Human Resources. If the alleged incident involves both an employee and a student, the Director of Title IX Compliance shall take the lead but shall work cooperatively with the Executive Director for Human Resources.

Statements of Prohibition

Rules of Consent

In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is sexual permission. Consent can be given by word or action, but non-verbal consent is not as clear as talking about what you want sexually and what you don’t. Consent to some form of sexual activity cannot be automatically taken as consent to any other form of sexual activity. Silence--without actions demonstrating permission--can not be assumed to show consent. Additionally, there is a difference between seduction and coercion. Coercing someone into sexual activity violates these procedures in the same way as physically forcing someone into sex. Coercion happens when someone is pressured unreasonably for sex.

When alcohol or other drugs are being used, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (who, what, when, where, why, or how) because the person lacks the capacity to reasonably understand the situation. Individuals who consent to sex must be able to understand what they are doing.

Prohibition of Sexual Misconduct

The College prohibits Sexual Misconduct and is committed to a timely and fair resolution. The College encourages prompt reporting of all types of Sexual Misconduct. While the College will investigate any and all reports of Sexual Misconduct, some Sexual Misconduct can be addressed effectively without full adjudication and/or without formal disciplinary sanctions against a Respondent.

Prohibition of Retaliation

Retaliation against any person in connection with a complaint of Sexual Misconduct is strictly prohibited. Reports of retaliation will be addressed through this procedure and/or other applicable College procedures. Retaliation includes, but is not limited to, any form of intimidation, punitive actions from authority figure or peers, reprisal (acts of vengeance) or harassment. Retaliation is a serious violation and should be reported immediately. The College will take appropriate disciplinary action against any employee or student found to have retaliated against another.

Prohibition of Providing False Information

Any individual who knowingly files a false report or complaint, who knowingly provides false information to College officials, or who intentionally misleads College officials involved in the investigation or resolution of a complaint may be subject to disciplinary action including but not limited to expulsion or employment termination. The College recognizes that an allegation made in good faith will not be considered false when the evidence does not confirm the allegation(s) of Sexual Misconduct.

Prohibition of Student/Employee Relationships

Employee Relationships: Romantic or sexual relationships between College employees in a direct supervisor/supervisee relationship are prohibited. This prohibition shall continue as long as the employees remain in a direct supervisor/supervisee relationship or in the chain of supervision. Employees violating this provision will be subject to disciplinary action up to and including termination of employment.

Romantic or sexual relationships between College employees not in a supervisor/supervisee relationship that impairs the College employee's effectiveness disrupts the workplace/learning environment, and/or impairs the public confidence in the College will be subject to disciplinary action up to and including termination of employment.

Employee/Student Relationships: Romantic or sexual relationships between College employees and students are prohibited if the employee and the student have an academic relationship. Academic relationships include any activities in which the employee is a direct or indirect supervisor (i.e. student working in the program or department such as a work-study/student worker or an employee serving as an advisor for a student club or organizational activity) or faculty and staff in an instructional setting for the student (i.e. classroom, lab, or clinical/practical setting). This prohibition shall continue until the student or the employee is no longer affiliated with the College. Employees engaging in inappropriate relationships will be subject to disciplinary action up to and including termination of employment.

Romantic or sexual relationships between College employees and students not in an academic relationship that impairs the College employee's effectiveness, disrupts the workplace/learning environment, and/or impairs the public confidence in the College will be subject to disciplinary action up to and including termination of employment or expulsion from the College.

Confidentiality

Standards of Confidentiality

The College will respect and make every reasonable effort to preserve the confidentiality of the information and identities shared by the parties involved in a Sexual Misconduct matter. College administrators will, however, share information regarding an alleged Sexual Misconduct, as appropriate and necessary, in order to address and resolve the allegation, prevent the recurrence of similar Sexual Misconduct and address the effects of the Sexual Misconduct. In keeping with this respect for

confidentiality, information regarding alleged Sexual Misconduct will generally be disclosed by College personnel only as follows:

1. All full-time and part-time regular employees and curriculum adjunct faculty members are considered Responsible Employees and have a duty to report to the Director of Title IX Compliance (for student matters) or the Executive Director for Human Resources (for employee matters) unless they fall under the “Confidential Employee” section below. Complainants may want to consider carefully whether they share personally identifiable details with non-confidential employees, as those details must be shared by the employee with the Director of Title IX Compliance or Executive Director for Human Resources. No employee is authorized to investigate or resolve allegations without the involvement of the College’s Director of Title IX Compliance or Executive Director for Human Resources. If a Complainant does not wish for his or her name to be shared, does not wish for an investigation to take place, or does not want a formal resolution to be pursued, the Complainants may make such a request to the Director of Title IX Compliance or Executive Director for Human Resources.
2. In cases where the Complainant or reporting party requests confidentiality and the circumstances allow the College to honor that request, the College will offer interim supports and remedies to the Complainant but will not otherwise pursue formal action against the Respondent. However, in cases indicating pattern, predation, threat, weapons and/or violence, the College will likely be unable to honor a request for confidentiality. The Director of Title IX Compliance or Executive Director for Human Resources will evaluate the following when determining if a report can remain confidential:
 - a) the seriousness of the alleged Sexual Misconduct;
 - b) the alleged Complainant’s age;
 - c) whether there have been other complaints of Sexual Misconduct against the Respondent; and/or
 - d) the applicability of any laws mandating disclosure to local law enforcement.

The privacy of all parties to a report of Sexual Misconduct will be respected unless it interferes with the College’s obligation to fully investigate allegations of Sexual Misconduct. Dissemination of information and/or written materials to persons not involved in the resolution process is not permitted. Violations of the privacy of the reporting party or the responding party may lead to disciplinary action by the College which could include expulsion or employment termination.

Confidential Employees

If a Complainant would like to speak confidentially with someone about the details of an incident, the Complainant may contact:

On-campus – Student Resources:

- Professional counselors in the K. Ray Bailey Student Services Building on the Asheville Campus (and by appointment at all A-B Tech instructional sites). Students may schedule an appointment with a counselor by calling (828) 398-7581. A-B Tech Counselors will maintain confidentiality except in cases of imminent harm to self or others or in cases related to the abuse of a child, elder, or dependent adult. Counselors are available to help free of charge and can be seen on an emergency basis during normal business hours.

Off-campus – Student and Employee Resources:

- Mobile Crisis Management Services – 888-573-1006 (Community Counseling)
- Helpmate 24-Hour Hotline – 828-254-0516 (Domestic Violence)
- Our Voice 24-Hour Crisis Line – 828-255-7576 (Sexual Assault)
- Employee Assistance Network (EAN) 800-454-1477 (Support services for A-B Tech employees)
- C3356 Comprehensive Care Center – 828-254-2700 (Substance Abuse and Mental Health)

Federal Timely Warning Reporting Obligations

Complainants of Sexual Misconduct should be aware that College administrators must issue immediate timely warnings for incidents reported to them that are confirmed to pose a substantial threat of bodily harm or danger to members of the College community. The College will make every effort to ensure that no identifying information is disclosed, while still providing enough information for A-B Tech community members to make safety decisions in light of the danger.

Reporting Options

Reporting to Local Law Enforcement

Individuals may report Sexual Misconduct directly to local law enforcement agencies by dialing 911. Individuals who make a criminal allegation may also choose to pursue College disciplinary action simultaneously. A criminal investigation into the matter does not release the College from its obligation to conduct its own investigation (nor is a criminal investigation determinative of whether Sexual Misconduct, for purposes of this procedure, has occurred). However, the College's investigation may be delayed temporarily while the criminal investigators are gathering evidence. In the event of such a delay, the College must take interim measures when necessary to protect the alleged Complainant and/or the College community.

Individuals may choose not to report alleged Sexual Misconduct to law enforcement authorities. The College respects and supports individuals' decisions regarding reporting; nevertheless, the College may notify appropriate law enforcement authorities if required or warranted by the nature of the allegations.

Reporting to College Officials

For incidents between students and employees, the Director of Title IX Compliance will work in partnership with the Executive Director for Human Resources or designee to investigate and resolve the allegation.

Director of Title IX Compliance - A-B Tech's Director of Title IX Compliance oversees compliance with all aspects of the Sexual Misconduct policy. The Coordinator works under the Vice President for Student Services. Questions about this policy and procedure should be directed to the Director of Title IX Compliance. Anyone wishing to make a report relating to Sexual Misconduct, discrimination or harassment may do so by reporting the concern to the College's Director of Title IX Compliance.

A-B Tech Police Officers are available 24-hours a day, 7-days a week. To reach the on-duty officer, please call (828) 279-3166.

Anonymous Reporting - Individuals may also file anonymous reports by completing the Incident Report Form. It may be very difficult for the College to take action on anonymous reports since supporting information may be limited. Anonymous reports may be used for statistical reporting purposes.

Reporting Timeframe

An allegation of Sexual Misconduct may be filed at any time, regardless of the length of time between the alleged Sexual Misconduct and the decision to file the complaint. The College strongly encourages individuals to file complaints promptly in order to preserve evidence for potential disciplinary or legal proceedings. A delay in filing a complaint may hinder the College's investigation.

Limited Immunity

The College community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to report to College officials or participate in resolution processes because they fear that they themselves may be accused of policy violations, such as underage drinking at the time of the incident. It is in the best interest of this College that as many Complainants as possible choose to report to College officials and that witnesses come forward to share what they know. To encourage reporting, the College offers Sexual Misconduct Complainants and witnesses amnesty from minor policy violations.

State and Federal Reporting Obligations

A-B Tech follows all state laws regarding mandatory reporting of child abuse to appropriate state officials. Director of Title IX Compliance Additionally, Campus Security Authorities have a duty to report sexual assault, domestic violence, dating violence and stalking for federal statistical reporting purposes (Clery Act). All personally identifiable information is kept confidential, but statistical information must be shared with campus law enforcement. The information to be shared includes the date, the location of the incident (using Clery location categories) and the Clery crime category. This reporting protects the identity of the Complainant and may be done anonymously. The Annual Security Report helps to provide the community with a clear picture of the extent and nature of campus crime, in order to build community safety and awareness. To see a copy of the report, you may go to the College website under Consumer Information.

Investigation Process Investigative Timeline

The College will make every reasonable effort to ensure that the investigation and resolution of a complaint shall occur in a timely and efficient manner as possible. The College's investigation and resolution of a complaint will generally be completed within 60 College business days of the receipt of the complaint, absent extenuating circumstances. Any party may request an extension of any deadline by providing the Director of Title IX Compliance or Executive Director for Human Resources with a written request for an extension that includes the reference to the duration of the proposed extension and the basis for the request. The Director of Title IX Compliance or Executive Director for Human Resources may modify any deadline contained in this procedure as necessary and for good cause.

Standard of Evidence

The College uses the preponderance of the evidence as to the standard for proof of whether a violation occurred. In the student hearing and employee grievance process, legal terms like "guilt," "innocence" and "burden of proof" are not applicable. Student and employee hearings are conducted to take into account the totality of all evidence available from all relevant sources. The College will find the Respondent either "responsible" or "not responsible" for violating this procedure.

Advocates

The Complainant and the Respondent are allowed to be accompanied by an advocate. The role of the advocate is to provide support solely to the Complainant or Respondent and not to speak on behalf of either party unless invited to do so by the Presiding Officer. If the Complainant or the Respondent chooses to have an advocate, the name must be provided as well as the role of the advocate to the Presiding Officer at least three College business days prior to the initial meeting or hearing date.

Interim Measure

If at any point the Vice President for Student Services, Director of Title IX Compliance, or designee deems it necessary to implement interim measures for the protection of any member of the College community, actions may be taken including but not limited to the following:

- Temporarily suspend the Respondent for up to ten College business days and move the matter to a hearing;
- Change the Respondent's and/or Complainant's class schedule;
- Take such steps as are reasonable, appropriate and necessary to restrict the Respondent's movement on campus.

For employees, the President may take the following actions including but not limited to:

- Take such steps as are reasonable, appropriate and necessary to restrict the Respondent's movement on campus;
- Place Respondent on temporary paid administrative leave or reassign the Respondent to other duties.

Interim measures shall only be used when necessary to protect health and safety and, when interim measures are implemented, every effort will be made to expedite the process.

Determination of Investigator and Resolution Process

This procedure applies to students and employees as either the Complainant or the Respondent. The administrator receiving the incident report will determine if the case should be handled by the Director of Title IX Compliance (student/student cases) or the Human Resources representative (employee/employee cases). For incidents involving students and employees, the College will utilize the process for both the student investigation and the employee investigation sections as applicable.

- Other consequences deemed appropriate to the specific violation

Appeal Process

The Complainant or Respondent has a right to a final appeal to the President:

- Upon receipt of the hearing outcome, both parties have five College business days to submit a notice requesting an appeal. For students, this notice must be submitted in writing to the Office of the Vice President for Student Services. For employees, this notice must be submitted in writing to the Office of the Executive Director for Human Resources.
- If an appeal is requested, both parties will be notified.
- The President will conduct a document review which does not include a new hearing but shall consist of evidence presented at the hearing along with a recording of the proceeding.
- The President will affirm, modify, or overturn the decision and/or sanctioning. The President's decision will be final and notification of the decision will be sent directly from the President's office to each party.

Records and Training Requirements

Records Retention for Students and Employees

Students - All documentation will be stored in the Vice President for Student Services' office for a period of seven years at which point the documentation will be moved to an electronic version to be retained permanently.

Students - In cases where the Respondent is found responsible for violating the Sexual Misconduct Policy, this information will be considered as a disciplinary record with the College.

Employees – Personnel files are retained for 30 years. If the action taken is informal counseling, this does not become part of the permanent record.

Civil Rights files must be maintained for a minimum of two years.

Student/Employee Education – The College will provide education to students and employees on an annual basis related to Sexual Misconduct, consent, risk reduction, and bystander interventions.

Pursuant to Board Policy 112, this procedure must be followed when dealing with sexual misconduct.

Definitions:

Administrative Conference: A individual meeting with the Complainant or Respondent and the Director of Title IX Compliance or the Executive Director for Human Resources or designees to discuss and attempt to resolve the issue.

Complainant: A “Complainant” is an alleged victim of Sexual Misconduct who chooses to file a complaint and participate in the College’s investigation and resolution of the alleged Sexual Misconduct.

Confidential Employee: “Confidential Employee” is a licensed professional counselors located on the Asheville Campus of A-B Tech in the K. Ray Bailey Building. Other confidential sources would include off-

campus health service providers, community agents trained in victim support such as domestic violence and sexual assault, and community counselors. Employees may choose to access confidential counseling services through the College's Employee Assistance Program free of charge.

Consent: Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in sexual activity.

- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.

Dating Violence: "Dating Violence" means violence committed by a person

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship.

Domestic Violence: "Domestic Violence" includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of North Carolina, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the State of North Carolina.

Employee: An individual who is hired to provide services on behalf of the College on a regular or time-limited basis in exchange for compensation and who does not provide these services as an independent contractor, as defined by the Internal Revenue Service.

Expulsion: Completely withdraw from the College. Does not typically allow for re-enrollment.

Force: Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance or produce consent.

Harassment: For purposes of this policy, "Harassment" consists of:

Gender Identity Harassment: Behavior that targets someone for offensive, hostile, degrading or insulting treatment because of their gender and the actions are persistent and severe and objectively offensive, hostile, degrading or insulting given the situation. The following are examples of conduct that may constitute gender harassment: using derogatory, gender-based terms; making derogatory jokes about gender-specific traits or based on negative gender stereotypes; suggesting that students of one gender should not engage in certain activities because of their gender; impeding the educational progress of a person of one gender whether explicitly or implicitly, such as by questioning an individual's ability because of his/her gender or suggesting that it is abnormal for a person of that gender to hold a particular interest; limiting or denying an individual of one gender access to educational opportunities; using sexist humor as

a classroom teaching technique; using personal or College electronic communications to convey inappropriate gender-based remarks, pictures, or images; or using verbal, graphic, or physical conduct which threatens, ridicules, or demeans an individual because of gender.

Sexual Harassment: Physical contact and/or conduct that creates an unwelcome or hostile environment. It includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical contact of a sexual nature when submission to the conduct is made a term or condition of an individual's employment or academic performance (either implicitly or explicitly), when submission to or rejection of the conduct is used as the basis for employment or educational decisions affecting the individual, or when the conduct is sufficiently severe, persistent, or pervasive to interfere with an individual's work or academic performance or to create an intimidating, hostile, or offensive working or learning environment. Occasional compliments of a socially acceptable nature do not constitute sexual harassment.

Sexual harassment may include but is not limited to:

- Physical assault, including rape, or any coerced sexual relations;
- Subtle pressure for sexual activity or for a relationship that takes on a sexual or romantic coloring, thereby exceeding the limits of healthy relation;
- Any demeaning sexual propositions;
- Unnecessary touching in any form;
- Sexually explicit or suggestive remarks about a person's physical attributes, clothing, or behavior;
- Sexually stereotyped or sexually charged insults, humor, verbal abuse, or graffiti;
- Any sexually inappropriate behavior that prevents an individual from participating in employment, academic performance, or in any functions of the College.

Hostile Environment: A Hostile Environment includes any situation in which there is harassing conduct that is sufficiently severe, pervasive and objectively offensive that it alters the conditions of employment or limits, interferes with or denies educational benefits or opportunities, from both a subjective (the Complainant's) and an objective (reasonable person's) viewpoint.

The determination of whether an environment is "hostile" must be based on all of the circumstances. These circumstances could include:

- The frequency of the conduct;
- The nature and severity of the conduct;
- Whether the conduct was physically threatening;
- Whether the conduct was humiliating;
- The effect of the conduct on the alleged victim's mental or emotional state;
- Whether the conduct was directed at more than one person;
- Whether the conduct arose in the context of other discriminatory conduct;
- Whether the conduct unreasonably interfered with the alleged victim's educational or work performance;

- Whether the statement is a mere utterance of an epithet which engenders offense in an employee or student or offends by mere discourtesy or rudeness;
- Whether the speech or conduct deserves the protections of academic freedom or the First Amendment.

Non-Consensual Sexual Contact: Non-Consensual Sexual Contact is any intentional sexual touching, however slight, with any object, of a person upon another person that is without consent and/or by force. Sexual contact includes intentional contact with the breasts, buttock, groin, or genitals, or touching another with any body parts, or making another touch you or themselves with any body parts; any intentional bodily contact in a sexual manner, though not involving contact with breasts, buttocks, groin, genitals, mouth, or other orifice.

Non-Consensual Sexual Intercourse: Non-Consensual Sexual Intercourse is any sexual intercourse, however slight, with any object, of a person upon another person that is without consent and/or by force. Intercourse includes vaginal or anal penetration by a penis, object, tongue or finger and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Personally Identifiable Information: Personally Identifiable Information as defined by FERPA includes, but is not limited to:

- A student’s name;
- The name of the student’s parent(s) or other family members;
- The address of a student or a student’s family;
- A personal identifier, such as a student’s social security number, student number, or biometric record;
- Other indirect identifiers, such as a student’s date of birth, place of birth, or mother’s maiden name;
- Other information that alone or in combination, is linked or linkable to a specific student and that would allow a reasonable person in the College community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or
- Information requested by a person whom the College reasonably believes knows the identity of the student to whom the education record relates.

Preponderance of Evidence: “Preponderance of the Evidence” is the standard for proof the College uses to determine whether a violation occurred. Preponderance of evidence means that a party has shown that its version of facts, causes, damages, or fault is *more likely than not* the correct version.

Rape: “Rape” is the act of sexual intercourse or penetration (anal, oral or vaginal), however slight, with any body part or any object, by a man or a woman upon a man or a woman, without consent, including vaginal penetration by a penis, object, tongue or finger; anal penetration by a penis, object, tongue or finger; and oral copulation (mouth to genital contact or genital to mouth contact).

Respondent: A “Respondent” is an individual who has been accused of committing Sexual Misconduct by the reporting or filing of a complaint.

Responsible Employees: The College’s “Responsible Employees” are all non-student College employees not designated as “Confidential Employees”.

Retaliation: “Retaliation” means any adverse action threatened or taken against a person because he or she has filed, supported, or provided information in connection with a complaint of Sexual Misconduct, including but not limited to direct and indirect intimidation, threats, and harassment.

Sexual Assault: “Sexual Assault” means any actual, attempted or threatened sexual act with another person without that person’s consent. Sexual Assault includes but is not limited to:

- Rape and attempted rape;
- Intentional and unwelcome sexual touching (including disrobing or exposure), however slight, with any body part or any object, by a man or a woman upon a man or a woman, without effective consent, of a person’s breasts, buttocks, groin, or genitals (or clothing covering such areas), or coercing, forcing, or attempting to coerce or force another to touch you, themselves, or a third party with any of these body parts or areas when such touching would be reasonably and objectively offensive;
- Any sexual act in which there is force, violence, or use of duress or deception upon the victim;
- Any sexual act perpetrated when the victim is unable to give consent;
- Sexual intimidation, which includes but is not limited to:
 - Threatening, expressly or impliedly, to commit a sexual act upon another person without his or her consent,
 - Stalking or cyber-stalking, and
 - Engaging in indecent exposure.

Sexual Battery: Sexual Battery is sexual conduct that does not involve penetration, but does involve physical contact of a sexual nature without the other person’s consent. It often is defined as the touching of an intimate part of the body for the purpose of sexual arousal or pleasure, without the other person’s consent; or forcing another person to touch an intimate part of the offender’s body for the same purpose.

Sexual Coercion: Sexual Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear that the person does not want sex, wants to stop, or that the person does not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

Sexual Exploitation: Sexual Exploitation occurs when an individual takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other Sexual Misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- Invasion of sexual privacy;
- Prostituting another individual;
- Non-consensual video or audio-taping of sexual activity;
- Going beyond the boundaries of consent (such as letting others hide in the closet to watch consensual sex);
- Engaging in voyeurism;
- Knowingly transmitting an STI or HIV to another student;

- Exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
- Sexually-based stalking and/or bullying may also be forms of sexual exploitation.

Sexual Misconduct: Any unwelcome conduct of a sexual nature, including any conduct or act of a sexual nature perpetrated against an individual without consent. Sexual Misconduct can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Sexual Misconduct can be committed by men or by women, and it can occur between people of the same or different sex. Sexual Misconduct also includes complicity in Sexual Misconduct. Sexual Misconduct includes but is not limited to Dating Violence, Domestic Violence, Sexual Violence/Assault, Rape, Sexual Exploitation, Sexual/Gender Harassment, and Stalking.

Stalking: Engaging in a course of conduct directed to a specific person that would cause a reasonable person to fear for his/her safety or the safety of others or suffer substantial emotional distress by placing that person in fear of continued harassment, bodily injury, or death.

Student: An individual who is currently enrolled in a curriculum or continuing education class.

Suspension: Complete withdraw from the College with the option for future re-enrollment after a specified period.

Visitor: An individual who is visiting an A-B Tech campus/site or another site where an A-B Tech program, class, or event is being held and does not meet the definitions above.

Sex Offender Registration

Pursuant to North Carolina General Statute 14-208.7, individuals who have reportable convictions for any sex offense are required to maintain a registration with the sheriff of the county in which they reside. Any nonresident with such a conviction who works or attends school in North Carolina is required to maintain a registration with the sheriff in the county in which that individual works or is a student. Additionally, the North Carolina Division of Criminal Statistics is responsible for compiling and keeping current a central statewide sex offender registry. Specific information as set forth in General Statute 14-208.10 is public record and is made available for public inspection. The Division of Criminal Statistics provides free public access to automated data from the statewide registry, including photographs provided by the registering sheriffs, via the Internet. The public is able to access the statewide registry to view an individual registration record, a part of the statewide registry, or the entire statewide registry. The Division may also provide copies of registry information to the public upon written request and may charge a reasonable fee for duplicating costs and mailings costs. The North Carolina Sex Offender Registry website may be accessed at the following link: <http://sexoffender.ncsbi.gov/search.aspx>.

Annual Fire Safety Report and Missing Student Policies

A-B Tech does not have on-campus residence facilities. Therefore, the College is not required by the Campus Safety and Security Reporting Act to maintain a fire report or to have a missing student policy.

Daily Crime Log

The A-B Tech Police Department maintains a daily crime log to record criminal incidents and alleged criminal incidents that are reported. The log contains reported crimes from the last 60 days. Crime logs for the Asheville Campus, Madison Campus, South Campus, Woodfin Campus and non-campus properties can be viewed at the A-B Tech Police Department located in the A-B Tech/Mission Health Conference Center on the Asheville Campus. The crime log for the Enka Campus can be viewed at the Enka Police and Security office located in the Small Business Center on the Enka Campus.

Sources of Crime Statistics

Campus crime, arrests and referral statistics include those reported to A-B Tech Police Department and to Campus Security Authorities through voluntary confidential reporting procedures. A-B Tech also requests statistics for crimes reported directly to other law enforcement agencies. In addition to the tables below, A-B Tech's crime statistics can be viewed at the Department of Education's web site at <http://ope.ed.gov/security/>

NOTE: Hate crimes are reported separately and pertain to crimes that manifest evidence that the victim was intentionally selected because of the victim's actual or perceived race, gender, religion, sexual orientation, gender identity, ethnicity, national origin or disability. Hate crimes include criminal homicide, sex offense, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property or any other crime involving personal injury.

Unfounded Reports

A-B Tech may withhold, or subsequently remove, a reported crime from its crime statistics when sworn or commissioned law enforcement personnel have fully investigated the reported crime and, based on the results of this full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore "unfounded". Only sworn or commissioned law enforcement personnel may "unfound" a crime. The recovery of stolen property, the low value of stolen property, the refusal of the victim to cooperate with the prosecution and the failure to make an arrest does not "unfound" a crime report.
