

Associate in Arts: Political Science Pathway

All Pathways are designed to transfer to a four-year institution for eventual completion of a BA/BS degree.

An undergraduate major in Political Science introduces students to the philosophy and practicality of the world of government. From the ancient Greeks to the politics of today, the many forms of government are considered and compared, with special emphasis on the United States. Political Science is an excellent major for professional study of the law or journalism.

	HIS 132	American History II	3
HUM 220	Human Values and Meaning	3	

AA and AS degrees require completion of a minimum of 60 semester hours of credit, but pathways may include extra hours to meet university baccalaureate degree plans. Completion of hours beyond 60 may not be required to meet AA or AS graduation requirements but is recommended based on programs offered by intended transfer institutions.
