The Writing Center is dedicated to supporting students in all their writing endeavors. We aim to provide a space that is welcoming and inclusive, where writers are empowered to make thoughtful choices in their compositions and develop their writing style and voice. Tutors encourage and support students as they develop their skills in writing, revision, and research. We welcome writers of all skill levels to work on compositions from any discipline at any stage of the writing process.

Welcome to WCONLINE! To get started, register for an account by clicking the link to the left.

3. Clicking that link will open up a form. Fill out the required fields, which are designated with a red asterisk, and any optional information that you would like to provide, such as preferred pronouns, preferred name, etc. Please note that your email address must be your A-B Tech student email.

The screenshot shows a registration form titled "Register for a New Account". It includes instructions to fill out the form to create a new account. The form contains several fields: "Email Address *" with a placeholder "@students.abtech.edu or @abtech.edu", "First Name *" and "Last Name *" fields, "Student ID *" field, "Telephone Number *" field, and "Preferred Name" field. There are also checkboxes for "Preferred Pronouns" (she/her/hers, he/him/his, they/them/theirs, zie/zim/zir/zis, Other) and "First or Home Language" (English, Arabic).

4. At the bottom of the registration form, you will be prompted to enter your communication preferences. Students may receive notifications and reminders via email and/or text. Please enter your preferences based on what will be most useful for you. If you check your texts more than your emails, providing your cellphone number will be more helpful and vice versa.

The screenshot shows the "EMAIL PREFERENCES" section with three radio button options: "Send me an email when my appointments are made, modified or canceled: YES or NO", "Send me an email with center announcements or other mass mailings: YES or NO", and "Send me an email to remind me of my upcoming appointments: YES or NO". Below this is the "TEXT MESSAGING PREFERENCES" section with a radio button option: "Include iCal links with appointment confirmation messages? YES or NO". There are also fields for "Mobile Number" (Ten Digits, Numbers Only) and "Mobile Carrier" (a dropdown menu with "-- please select --"). At the bottom, there are two buttons: "COMPLETE REGISTRATION" and "CANCEL".

5. When you are finished, click "Complete Registration." You will then be prompted to sign in to the Writing Center calendar, where you can begin scheduling appointments.
