

International Application Checklist

All international applicants are required to submit the following:

- International Application Checklist
- Application for Admission
- International Application
- Affidavit of Support
- Supporting Financial Documents (Notarized Bank Letter)
- College transcripts **and** evaluation (optional)
- Photocopy of valid passport or other government issued photo ID

New applicants requesting I-20 must also submit:

- TOEFL scores (if required)
- Proctor Information or Additional placement testing

Transfer applicants who currently possess an I-20 must also submit:

- Transfer form
- Official transcript from current school
- TOEFL scores (optional: see requirement on transfer applicant page)

By signing below, I acknowledge I have read and understand the following:

- F-1 students must be enrolled full time during fall and spring semesters. Summer semester may be required depending on program of study or an applicant's placement into developmental courses in math and/or English.
- Financial assistance and scholarships are not available and few on-campus employment options exist. F-1 students are responsible for securing housing. On campus housing is not available.
- Only complete applications (including all forms above) will be considered.
- Proctor information must be submitted on the International Application Supplement unless valid transfer credit, NC-DAP scores or SAT/ACT scores are submitted.
