Instructions to Download Office 365 to Your Computer

Access is not available for the online version of Office 365. You must download Office to your computer. Office is available to download for free because you are an A-B Tech student. Here are the instructions.

- 1. Log into your student email.
- 2. Click Office 365 near the top left of the screen. You will not be able to see this button if your screen is not maximized.

3. On the next screen, click the Install Office down arrow.
