

Supplemental Event Application Agreement Pertaining to COVID-19

Any groups requesting the use of A-B Tech's facilities will need to comply with these additional provisions:

- 1) The group will agree to comply with all federal, state, and local restrictions on community events. (In the present NC Phase 2.5 Extension Safer At Home, gatherings of more than 25 people in a single indoor space remains prohibited.) This may mean that the event cannot be held, in which case a refund will be issued. As ordinances and COVID-19 related governance are subject to change, A-B Tech reserves the right to amend, update, cancel, or otherwise modify this agreement at any time.
- 2) A-B Tech has implemented many new safety measures to mitigate the spread of COVID-19 and provide a healthy and safe environment for all employees, students, and visitors. The group agrees to comply with all posted guidance, markings, and any other safety indication while on College property. This includes, but may not be limited to, facial coverings, physical distancing, one-way traffic flow where applicable, and frequent handwashing or sanitizer use if soap and water are not readily available.
- 3) The group will agree to comply with the terms of the attached **A-B Tech External Event Attendee Code of Conduct and Acknowledgement** and will require everyone in attendance to sign a copy of the form. The signed form must be in the possession of the College's meeting host before the event will be allowed to occur. Prior approval with a reasonable explanation must be received if the event cannot properly coordinate the signing of these forms ahead of the event. Forms must be submitted as immediately as possible upon the conclusion of the event if prior approval is granted.
