

2021 - 2022 Associate in Arts: Business/Accounting Pathway

Arts and Sciences

Associate in Arts: Business/Accounting Pathway

All Pathways are designed to transfer to a four-year institution for eventual completion of a BA/BS degree.

The field of business and/or accounting prepares graduates to enter the business workforce and is a superb underpinning for further studies in business, economic, political, and social arenas. Specific fields graduates may pursue include entrepreneurship, finance, banking, taxes, global business, leadership, marketing, and operations management.

AA and AS degrees require completion of a minimum of 60 semester hours of credit, but pathways may include extra hours to meet university baccalaureate degree plans. Completion of hours beyond 60 may not be required to meet AA or AS graduation requirements but is recommended based on programs offered by intended transfer institutions.
