# Associate in Arts: Criminal Justice Pathway

**All Pathways are design to transfer to a four-year institution for eventual completion of a BA/BS or BFA degree.**

A degree in Criminal Justice offers entry to many different job opportunities within the criminal justice field. While police officers make up a large portion of the professionals working in law enforcement, there are many more career options from being an FBI agent to a computer forensic specialist. With the wide range of roles available, the variety of jobs seeking unique interests, skills, talents, and salary expectations is extensive. Careers are available as probation officer, forensic science technician, police officer, correctional officer, private detective, state trooper, and many others.

AA and AS degrees require completion of a minimum of 60 semester hours of credit, but pathways may include extra hours to meet university baccalaureate degree plans. Completion of hours beyond 60 may not be required to meet AA or AS graduation requirements but is recommended based on programs offered by intended transfer institutions.
