Submitting an Application

- A-B Tech only accepts applications for employment that are submitted via this website.
- All applications received *before* 8:00am (EST) on the posted “application review date” **will be** reviewed. Applications received *after* this time **may not be** reviewed.
- A separate application must be submitted for each position for which you want to be considered. However, applicant data (such as transcripts, resume, and application text) will be saved to your applicant account once you complete your first application. To apply for additional vacancies, login and apply for additional positions.

Application Contents

- Applicant Information: personal information, education and experience, references, etc.
- Transcripts: Unofficial copies of transcripts must be electronically uploaded and attached to your application, unless the job posting indicates otherwise. This also applies to current A-B Tech employees. If hired, official transcripts from an institution accredited by an accrediting agency recognized by the U.S. Department of Education or official transcript evaluation from a National Association of Credential Evaluation Services (NACES) recognized organization are required two business weeks prior to start date.
- Cover letter: Cover letters are required for all applications. The Cover letter should address how your education, knowledge, skills, and experience meet the minimum requirements and preferred qualifications of the position.
- Additional documents: Other documents may be required, as indicated on the job posting. Examples may include: certifications, licenses, letters of recommendation, etc.
- Resumes are not accepted as a substitution for a completed application.
- All applicable fields on the application must be completed. Your application should include detailed information about your education and work experience. It is critical to our screening and salary determination process that applications contain comprehensive information.

Selection Process

- Applicants must meet the minimum requirements to be considered.
- Incomplete applications will be removed from consideration.
- Screening of applications is normally completed within two to three weeks of the application review date. Interviews are usually scheduled within three to four weeks of the application review date. Candidates selected for an interview who did not get the position will be notified by e-mail. Applicants not selected for an interview will receive an e-mail notification. This e-mail notification applies to A-B Tech's current staff members as well. Please be patient until you receive an update, as the process can sometimes be lengthy.
