Associate in Science: Pre-Med Pathway

All Pathways are design to transfer to a four-year institution for eventual completion of a BA/BS or BFA degree.

New physicians coming out of their residencies have a considerable variety of different physician practice options from which to choose. Each practice setting presents a number of different factors, appealing to different personality types. Different levels of autonomy need to be considered, as well as varying levels of business acumen as well as your choice of practice setting.

In addition to earning a bachelor's degree, four more years earning a medical degree is required followed by three to eight years as an intern/resident.

BIO 111 Sud Semester	General Biology I	4
BIO 112	General Biology II	4
by CHM 251	Organic Chemistry I	4
ENG 232	American Literature II	3
S PHY 151	College Physics I	4
CHM 252	Organic Chemistry II	4
HIS 131	American History I	3
HUM 220	Human Values and Meaning	3
CH HY 152	College Physics II	4

AA and AS degrees require completion of a minimum of 60 semester hours of credit, but pathways may include extra hours to meet university baccalaureate degree plans. Completion of hours beyond 60 may not be required to meet AA or AS graduation requirements but is recommended based on programs offered by intended transfer institutions.
