Associate in Arts: Political Science Pathway

All Pathways are designed to transfer to a four-year institution for eventual completion of a BA/BS degree.

An undergraduate major in Political Science introduces students to the philosophy and practicality of the world of government. From the ancient Greeks to the politics of today, the many forms of government are considered and compared, with special emphasis on the United States. Political Science is an excellent major for professional study of the law or journalism.

The Political Science Pathway is fully online.
