# Associate in Arts: Psychology Pathway

**All Pathways are designed to transfer to a four-year institution for eventual completion of a BA/BS degree.**

Psychology is the scientific study of the mind and behavior. People who study psychology are interested in how the mind works and why we behave the way we do. The topics covered in psychology courses may include neuroscience, learning, memory, sensation, perception, human development, cognition, intelligence, motivation, emotion, gender and sexuality, personality, social psychology, psychological disorders and treatments. A degree in psychology also provides a strong foundation for many career fields (see some of these fields listed below).

- Research
- Management
- Business Administration
- Human Resources
- Criminal Justice
- Education
- Health and Medicine
- Human Services
- Law
- Marketing
- Counseling/Therapy

The Psychology Pathway is fully online.
