Associate in Arts: Pre-Health Pathway

All Pathways are design to transfer to a four-year institution for eventual completion of a BA/BS or BFA degree.

The Pre-Health pathway is intended to lead to a student earning a bachelor's degree in a variety health fields. Completers of this degree will be prepared to enter a bachelor's program at a four-year college or university in majors such as nutrition, community health, health policy management, or wellness. With this degree, graduates can work in a variety of areas: community health education, healthcare administration, or healthcare operations.
