Information Technology: Software and Web Development

The Software and Web Development curriculum prepares graduates for careers in the information technology arena using computers and mobile devices to disseminate and collect information via the Internet.

Course work in this program covers the terminology and use of computers, Internet-ready devices, servers, databases, programming languages, as well as Internet applications, site development and design. Studies will provide opportunity for students to learn related industry standards.

Graduates should qualify for career opportunities as designers, administrators, or developers in the areas of Internet and mobile applications, websites, web services, and related areas of Internet technologies. Credit for specific Information Technology certificate may replace some courses: abtech.edu/current-students/programing-advising-center-overview/credit-prior-learning

Salary Range: \$35,000-\$53,408 (Salaries may vary based on size of business and other factors).

Specific Requirements

- 1. General college admission requirements must be met.
- Transfer credit will not be accepted for DBA-120, WEB-115, WEB-182, WEB-210, WEB-250, and WEB-289.

Total Cost Estimate

Tuition per Semester (NC Resident)	\$1,216.00 (16+ credit hours) \$76.00/credit hour (1-15 hours)	
Computer Use and Technology Fee	\$48/semester	
Activity Fee	Fall and Spring semesters only, Main campus and Online, \$35.00	
CAPS Fee (Campus Access, Parking and Security)	\$20/semester	
Matriculation Fee	\$10/semester	
Student Insurance	\$2/Semester	

Additional Fees including books may incur, please check A-B Tech website for more detail: https://abtech.edu/program/information-technology-software-and-web-development-aas-cost-estimate
