Practical Nursing

This curriculum prepares individuals with the knowledge and skills to provide nursing care to children and adults. Students will participate in assessment, planning, implementing, and evaluating nursing care.

Upon completion of the Practical Nursing Program and licensure, the graduate will:

1. Demonstrate skills necessary to provide safe, quality care.
2. Demonstrate the knowledge necessary for professional nursing practice.
3. Identify as a nurse committed to being a client advocate, who is caring and culturally competent.
4. Utilize informatics and evidence-based data to provide nursing care to clients.
5. Demonstrate behaviors that reflect integrity, responsibility, and ethical practice.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-PN) which is required for practice as a Practical Nurse. Employment opportunities include hospitals, rehabilitation facilities, long-term care facilities, clinics, physician's offices, and home health agencies.

This program is approved by the
