Meet Ralph Day, music technology major and A-B Tech Community College transfer student. Ralph is also a recipient of the CORE Scholarship, a partnership between UNC Asheville and A-B Tech Community College that provides transfer students with a full scholarship at A-B Tech for two years to earn their associate's degree and for two years at UNC Asheville to complete their bachelor's degree.

The CORE Scholarship essentially saves me from two part-time shifts every week at my other jobs... It's given me the opportunity to focus on earning my degree in Music Technology so I can go on to pursue my dream of hosting my own music festivals."

–Ralph Day
