Associate in Arts: Teacher Preparation

The Associate in Arts in Teacher Preparation degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use.

The Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA) enables North Carolina community college graduates of two-year associate in arts programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institutions of North Carolina Independent Colleges and Universities to transfer with junior status.

Community college graduates must obtain a grade of "C" or better in each course and an overall GPA of at least 2.7 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions.

The Associate of Arts in Teacher Preparation degree is appropriate for students pursuing licensure in Elementary Education (K-6) and Special Education (K-12).

Specific Program Requirements:

1. In order to obtain employment in the field in North Carolina, students must pass a criminal background check and be approved by their district's Board of Education.
2. Students must be able to pass a background check conducted through the respective school system to be eligible for Level II entry into school facilities. Failure to obtain Level II entry may result in the student's inability to complete course requirements. The College does not guarantee placement for students unable to obtain Level II entry.
