| <b>Center for Academic Achievement</b> | Free tutoring for STEM subjects, including Spanish and computers, and writing assistance for all subjects. Computers are available. Support available in person and virtually.                                                                                                                                                                                                                                                                                                                                                                | 828-398-7228<br>sharonsmith@abtech.edu<br>abtech.edu/tutoring<br>Lower Level Locke Library                    |
| <b>Locke Library</b>                   | The Don C. Locke Library provides books, e-resources, and research databases to support student learning. The collection also includes DVDs, audiobooks, North Carolina materials, and streaming videos through Films on Demand and Docuseek. Research computers are available on the main level, and librarians are happy to assist with research questions. The library offers group and individual study spaces, as well as laptops, hotspots, and calculators for in-library or home use. Present your student ID to check out materials. | abtech.edu/library<br>828-398-7301<br>abtech.edu/student-resources/library/ask-librarian                      |
| <b>Small Business Center</b>           | The Small Business Center / Student Business Incubator Program is a 12-month extracurricular activity designed to provide a nurturing, supportive environment to A-B Tech students who want to start their own business.                                                                                                                                                                                                                                                                                                                      | www.abtech.edu/sbc<br>SBIncubator@abtech.edu<br>828-398-7950<br>A-B Tech Enka<br>1459 Sand Hill Road, Candler |
